# Why food banks like “Tarilka” are so important in Ukraine?

About 29%

Ukrainians are living in poverty. The number has grown by 1.8 million since 2020, as Russia's 2022 invasion continues to ravage the country's economy.

## день з ТАРІЛКА<sup>ГО</sup>

домовляємось з партнерами (супермаркетами та виробниками) про надання продуктів у вигляді благодійної допомоги

волонтер-логіст формує "маршрут добра" між магазинами, що підготувати для нас продукцію.

волонтер кол-центру запрошує щодня 40 потребуючих, попередньо зареєстрованих в нашій базі, для отримання набору

волонтери приймають їжу у центрі видачі, переглядають її на предмет придатності до споживання

водій на Тарілкомобілі або волонтер виходить на щоденний "маршрут добра" і збирає їжу на межі терміну придатності

волонтери формують щодня 40 продуктових наборів з отриманої продукції

адміністратор перевіряє документи та стежить за видачею продуктових наборів

їжа потрапляє до домівок потребуючих

прибираємо центр видачі їжі, утилізуємо відходи

воонтери допомагають перепакувати продукти потребуючим у їх торбинки

*«Due to a lack of knowledge about food banks, residents of the neighboring apartments were initially opposed Tarika's opening.*

*The team organized a get-to-know meeting to establish contact with the neighbors and dispel myths about Tarika's goals. After that, people who had come to quarrel began to support the organization»*
